Subject: Re: AO 2014-02 (Make Your Laws PAC) - Extension of Statutory Deadline

Dear Bob,

Thank you for your email. You are correct.

We strongly support ensuring that the public has enough time to read and comment on any published drafts, and that the Commission has enough time to deliberate on the issue, taking those comments into account, so we are happy to grant whatever extension of time is needed to do so.

I look forward to having that discussion, reading the Commission's draft AO(s), and helping however I can.

Sincerely,
Sai
President, Make Your Laws PAC, Inc.
